Pointer Coach Is No Stranger To Co. Teams, Fans

Kurt Grass, coach of the Bainbridge High School varsity basketball squad, is no stranger to the Putnam County net fans. His Pointers chalked up a 16-7 record during the 1962-63 hardwood court campaign and won the county championship.

As Coach Grass says, "the Pointers are off to a good start this season but the roughest part of our schedule is coming up."

"Some of the particularly tough teams," he said, "are Cloverdale, Granville Wells, Pittsboro and Eminence. Ladoga will also be hard to beat by the end of the season."

"We have good height and fair shooting," the Bainbridge coach stated, "but our season will depend on the unknown qualities. We must develop some second line strength and improve our ball handling in order to have a good year. Depth is the difference between great teams and mediocre ones."

Grass has been coaching basketball for the past four years. He was assistant net mentor at Lakeville in 1960-61. He went to Bainbridge as assistant coach in 1961-62 and posted a 14-3 record with the Pointer B team. He assumed the post of varsity coach for 1962-63 and his netters won the county crown.

Coach Grass is 26 years old and married. He graduated from Valparaiso University in 1960 and is working for his Master's Degree at Butler University.

His wife, Sharon, is currently attending Indiana State at Terre Haute where she is a senior in Elementary Education.

Coach Grass would like nothing better than for his Pointers to be county champs again come the last of January. He would also like very much to go on and win the sectional tournament starting the last of February.

Tomorrow night, Bainbridge will play Cloverdale, in the Fillmore gym. This is "one of the tough games" that Grass mentioned. The outcome will be interesting.

Dies In Fire

TERRE HAUTE, Ind. UPI — Two-year-old Terri Lynn Wickware was killed in a fire Monday night while her parents were away from their home on the city's northside.

Her brother and sister were injured seriously.

Authorities questioned William Henry Wickware, the father, who said he and his wife were helping a neighbor move at the time the fire broke out.

Terry Lynn's sister, Teresa, 3, and her brother, William Kent, 18-months, were taken to Union Hospital where their conditions were described as serious.

Vegas Closed For Kennedy Rites

LAS VEGAS, Nev. UPI — This gambling city's downtown "Casino Center," darkened for 17 hours Monday in honor of the late President, was more crowded than ever despite the lack of gambling.

Many of the city's 120,000 went to the center—where gambling normally goes on 24 hours a day in brightly lighted casinos—to see what it looked like without the lights on.

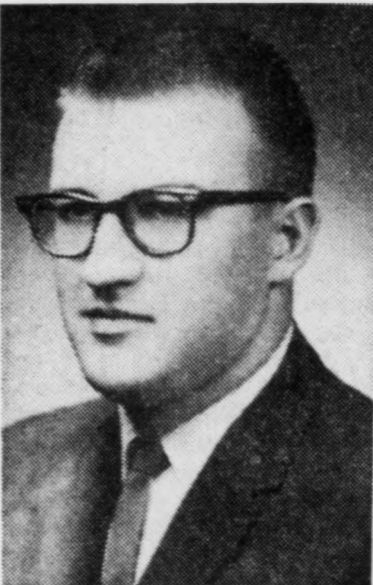

Casinos, showrooms and bars in all the major hotels both downtown and on the "strip" were closed from 7 a.m. until midnight.

U. S. To Launch "Imp" Satellite

CAPE CANAVERAL UPI — The United States plans to launch a 138-pound "Imp" satellite into an orbit 173,000 miles high tonight to measure so-called "solar winds" that pose a potential lethal threat to future astronauts bound for the moon.

The National Aeronautics and Space Administration NASA hoped to fire the satellite into space aboard a three-stage Delta rocket at 9:30 EST in the opener of a space-age double-header.

At 10 a.m., Wednesday, if all goes well, scientists will send a revolutionary rocket named "Centaur" into the skies in an attempt to put a satellite weighing more than five tons into orbit around earth.

Both shots will have an important bearing on the U.S. Apollo program to land men on the moon later this decade—a \$20 million-dollar project established as a "national goal" by the late President Kennedy more than 2½ years ago.

Tim Ruark Elected President Of Putnam County Fair Association

Tim Ruark, Madison Township Farmer and 4-H Club Leader was elected president of the Putnam County Fair and 4-H Club Association in a meeting of directors held Saturday morning November 23 at the fairgrounds community building. Glendon Herbert of Cloverdale and Jack Torr of Madison Township were re-elected as treasurer and director-at-large respectively.

Tentative date for the 1964 fair were set as August 3 to 8. This will be subject to a clearing of all county fair dates at the annual county and district fair conference at Indianapolis early in January.

Operation and maintenance of the fairgrounds for the coming year was discussed and also the planning and organization for the 1964 fair. In the near future president Ruark will announce his working committees for the association.

Also a committee consisting of Francis Lane, Doris Salsman and Tom Hendricks, working with Mr. Ruark and the County Extension Office, was appointed to review and re-write the operational By-Laws of the Association.

In addition to Mr. Ruark and Mr. Herbert and Mr. Torr the executive committee will be made up of vice-president Joe Ramsay of Russellville, secretary Tom Hendricks of Cloverdale and extension agents K. W. Harris and Katharine S. Benner.

GOP Bids For Senator Coming Up

INDIANAPOLIS UPI — Bidding for the Republican nomination for U. S. senator from Indiana will be brisk during the next few weeks.

State Sen. D. Russell Bont-rager, Elkhart, GOP floor leader, is expected to make his formal announcement next week although he actually has been campaigning for many months.

Meanwhile, former State Sen. Edgar D. Whitcomb, Seymour attorney, may beat Bont-rager to the punch with his official candidacy pronouncement.

Three other possibilities, all congressmen, appear to have become more reluctant about the Senate contest.

Rep. Richard Roudebush, Noblesville, has endorsed the gubernatorial effort of Lt. Gov. Richard O. Ristine. Both are from the 6th District and a state convention hardly ever permits one district to win two major nominations.

Rep. Donald C. Bruce, Indianapolis, a rampant Barry Gold-water man, is handicapped by the fact that H. Dale Brown, Marion County chairman, is concentrating on the nomination of Appellate Court Judge John Ryan for lieutenant governor.

Rep. E. Ross Adair, Fort Wayne, is taking a sober second look in view of his veteran standing in Congress and the prospect of higher salaries and pension benefits.

Civic Clubs In Joint Luncheon

The members of Kiwanis and Rotary clubs will hold their annual joint meeting and Thanksgiving observance tomorrow noon in the Union ballroom.

A special message, "A Booth, A Bell and A Bomb," will be delivered by the Rev. Thomas Heinlein, minister of the Presbyterian Church. Mrs. John McFarland will sing "The Lord's Prayer," accompanied by Dr. Milton Trusler.

Tighten Security For Gov. Welsh

INDIANAPOLIS UPI — Governor Welsh returned home from the funeral of the assassinated President Kennedy today to find that his associates had taken measures to tighten security at his Indiana Statehouse office.

Three side doors from the Statehouse corridor leading to outer offices in the governor's suite of executive offices on the main floor of the capitol building were locked. In the past they have often been left unlocked for the convenience of newsmen and Statehouse officials.

Jack New, the governor's executive assistant, ordered the doors be kept locked at all times hereafter.

RR Board Will Issue Decision

WASHINGTON UPI — The railroad arbitration board hands down a far-reaching decision today that is expected to settle union hopes of keeping firemen on most trains and preserving present crew sizes.

The board's ruling will be binding for two years and may set a precedent for labor-management disputes in other industries over alleged "featherbedding."

The late President John F. Kennedy appointed the seven-man panel to decide two key issues of the long-standing rail work rules controversy under terms of legislation rushed through Congress to head off a nationwide train strike Aug. 28.

Arbitration board Chairman Ralph T. Seward said the decision would be issued today as Congress specified in the law.

Salute From Sky

WASHINGTON UPI — Fifty jet fighters followed by the famed "Air Force One" which John F. Kennedy used on his presidential journeys streaked across the skies over the grave of the dead chief executive at his burial hour Monday.

The 50-plane jet fly-by symbolized a salute from each of the 50 states. Then "Air Force One," the sleek blue, silver and white presidential plane with only the crew aboard soared over the scene.

New President To Put Policies Before Congress

Police Report Two Accidents

Two accidents, one involving two automobiles and the other involving a deer and a semi, were reported by the State Police Post at Putnamville Tuesday morning.

Police said shortly after midnight, property damage resulted but there were no injuries when two cars got together about one-half mile south of the Lone Star Cement Plant.

Trooper Ted Settle worked the mishap but no further details were available early Tuesday.

At 1:30 Tuesday morning, a semi hit a doe on U.S. 40, just west of Putnamville.

The impact killed the deer and did some damage to the front end of the semi.

Trooper Settle also investigated this accident.

The Putnamville Post said this was the fifth deer that had been killed in this area this Fall.

Johnson Confers With Dignitaries

WASHINGTON UPI — President Johnson today plunged deeper into the intricacies of international diplomacy.

After arranging a formal meeting here next year with French President Charles De Gaulle, the President scheduled talks during the day with Soviet Deputy Premier Anastas I. Mikoyan, British Prime Minister Sir Alec Douglas-Home, West German Chancellor Ludwig Erhard and other world leaders who remained after attending President Kennedy's funeral.

The President's first session was a meeting with Emperor Haile Selassie of Ethiopia. Others he planned to confer with included Philippine President Diosdado Macapagal and Prime Minister Ismet Inonu of Turkey. The Selassie meeting was scheduled for 9:30 a.m., EST and the Mikoyan meeting was scheduled for 11:30 a.m., EST.

Johnson obviously was determined to avoid any loss of momentum in U.S. foreign policy, to dispel any idea that there will be vacillation or confusion following the assassination of Kennedy.

Champion Gelding

NEW YORK UPI — Kelso, the mighty gelding who boosted his lifetime earnings to \$1,581,702 in 1963 by winning 9 of 12 races, today was hailed "horse of the year" by Triangle Publications for the fourth consecutive season.

24 Shopping Days till Christmas

WASHINGTON UPI — President Johnson was expected to move his office into the White House today and prepare for first address to Congress and the nation.

Johnson will address a joint session of Congress at 12:30 p.m. EST Wednesday to outline his policies in national and international affairs. The speech will be televised.

In the speech, which may be one of the most important he will make as Chief Executive, Johnson was expected to urge congressional approval of President Kennedy's civil rights and tax cut programs.

Veteran legislators were said to feel there would be no slackening under the new President of the drive for congressional approval of the two cornerstones of the Kennedy program. But whether Johnson would be any more successful than his predecessor remained to be seen.

"I think continuity without confusion has got to be our password and has to be the key to our system," Johnson said Monday night in explaining his decision to appear before Congress.

The Chief Executive meets first today with the world leaders who remained after attending Kennedy's funeral, including Soviet Deputy Premier Anastas I. Mikoyan, British Prime Minister Sir Alec Douglas-Home and West German Chancellor Ludwig Erhard.

But from the domestic political standpoint, his most important meetings were to come later in the day when he confers with top aides and officials about his speech before Congress.

The tenor of that speech probably was indicated in the new President's remarks to a meeting of the governors of 35 states Monday night.

The governors were hastily assembled following the funeral for the meeting at Johnson's former vice presidential offices. Many were halted at airports and summoned to hear the President's 30-minute appeal for bipartisan backing in the days of crisis following the assassination.

The Chief Executive was reported to have stressed his backing for federal programs to aid education in expressing general support for Kennedy's legislative goals.

New York Gov. Nelson A. Rockefeller, a candidate for the Republican presidential nomination, said that Johnson told the group he would urge Congress to act on the \$11 billion tax cut program, presently stalled in the Senate Finance Committee, and the civil rights measure.

Rockefeller said the ovation Johnson received was "a most sincere demonstration of unity in this moment of tragedy." He said Johnson was "impressive."

Hoosiers Paid Tribute To JFK

INDIANAPOLIS UPI — Twenty thousand somber Hoosiers massed in Indiana's War Memorial Plaza Monday in a chilly wind beneath sunny skies in the official state tribute to a martyred president.

Memorial remarks by leaders of Catholic, Protestant and Jewish religions pointed up the contributions of the late President Kennedy to national unity in brotherhood.

One of them, Dr. Theo O. Fisher, a Protestant minister, said that "out of his terrible act of assassination will arise a new sense of purpose and national unity."

Urge Fund For Tippitt Family

INDIANAPOLIS UPI — The Indianapolis Lodge of the Fraternal Order of Police yesterday urged all police departments throughout the United States to come to the aid of the family of the Dallas, Tex., policeman slain while pursuing President Kennedy's accused assassin.

Sgt. Raymond Stratton, president of the chapter, said the members had donated \$100 dollars to the family of J. D. Tippitt, 39, allegedly shot down by Lee Harvey Oswald, who was charged with the murder of the policeman and President Kennedy.

Tippitt had no insurance and the city of Dallas provides none. He earned \$400 a month. He was survived by his widow and three children.

Stratton said Lt. Leo Van Derhayden of the Indiana State F. O. P., promised to send another \$100 to Mrs. Marie Tippitt, the widow.

Indiana F. O. P. units probably will appeal to national president Jack Dudek of Cleveland to make the fund drive nationwide, he said.

No Mourners For Lee Oswald

DALLAS UPI — His lips sealed forever, his body in Secret Service custody, Lee Harvey Oswald lay without mourners yesterday in a heavily guarded Fort Worth funeral home.

The possibility of a desecrating attack on his corpse was not overlooked.

Jack Ruby, the striptease night club owner who shot him to death before a nationwide television audience, will plead temporary insanity at his trial for murder.

Ruby was hustled from the city jail to the county jail seven blocks away just before noon Monday. He was rushed into a car by two detectives and ducked down in the seat. It was the same trip Oswald started Sunday. At that time Ruby leaped from a crowd of police and newsmen, and with a curse, jammed a snub-nosed .38-caliber revolver within four inches of Oswald's left ribs and pulled the trigger once.

Oswald died 105 minutes later.

Kennedy Square

BERLIN UPI — West Berliners last night honored the slain President Kennedy by giving his name to the square where he won the hearts of local citizens only five months ago by telling them in German, "I am a Berliner."

West Berlin's famous "freedom bell" tolled as the square opposite city hall was renamed "John F. Kennedy Platz" in a memorial ceremony attend by a throng of West Berliners.

The Presbyterian Church was the setting for the November 23 candlelight marriage of Miss Suzanne Marie Chase and Darrell Lancaster.

Parents of the couple are Mr. and Mrs. Howard C. Chase Jr. and Mr. and Mrs. Samuel Lancaster of Greencastle.

nylon marquisette over taffeta featuring a floor length overskirt fastened on the left side with two small bows. The finger-tip veil was secured to a white satin pill box hat with seed pearl trim. She carried a cascade bouquet of miniature white roses and ivy. The matron of honor, Mrs. Earl Lancaster and the bridesmaids, Miss Sally Swope, Mrs. John Trisler and Miss Karen Hoover wore identical sheath gowns of kelly green taffeta with emerald green taffeta overskirts. Their hats were of emerald green taffeta and net.

Each carried a cascade bouquet of gold fugi mums.

Mrs. Richard Inman, sister of the bride, assisted at the guest book.

Walked Behind Husband's Coffin

WASHINGTON UPI — Mrs. Jacqueline Kennedy, composed and head high in the grip of grief, walked six long blocks behind her husband's horse-drawn coffin to his funeral.

It was the way she wanted it. The 34-year-old former First Lady made the decision herself to lead a procession of leaders of the nation and the world in the solemn journey from the White House to St. Matthew's Cathedral.

The children of the dead President, John F. Kennedy were taken to the cathedral by car. They had waited at the White House while their mother rode on her third trip in 20 hours to the side

of their father's casket at the Capitol Rotunda.

Mrs. Kennedy also rode from the Capitol with the body. Then, at the White House, the adult mourners left their limousines to follow her and her brothers-in-law on foot up 17th St. and Connecticut Ave. to the church.

Flanked by the late President's brothers, Atty. Gen. Robert F. Kennedy and Sen. Edward M. Kennedy, she walked erectly and unswervingly as thousands of public onlookers watched in silent sympathy.

Her widow's veil blew against her face as seven-mile-an-hour gusts of wind blew against her slender sorrowing form.

Candlelight Parade

LOS ANGELES UPI — A group of about 100 teen-agers

from Hollywood High School marched down Wilshire Boulevard to the city hall Monday night in a candlelight procession as a tribute to President Kennedy.

The "Gunsmoke" wardrobe department has had as many as 13 identical shirts on hand for each of four actors in rough-and-tumble scenes.

Sheinwold On Bridge

Avoid Illusion
In Planning Play

By Alfred Sheinwold

Many years ago, before my professors knew that I played bridge, they gave me an intelligence test. "Which line is longer?" they asked, and "Which square is bigger?" They were trying to fool me with optical illusions, never realizing that the best optical illusions are made out of 52 cards.

Opening lead — ♠ J

South won the opening spade lead, discarding a diamond from dummy. Next he drew two rounds of trumps with the king and ace. Then the optical illusion got him.

South thought his best plan was to discard two more diamonds from dummy on his high spades. Then he could ruff two diamonds in dummy and give up only one club.

Chasing this will-o-the-wisp, South cashed his high spades, led to dummy's ace of diamonds, and then faced the problem of getting back to his hand. The club finesse was the only reasonable answer. West won with the king of clubs and returned his third trump.

FALLS TO PIECES

The hand now fell to pieces. South had two losing diamonds, and dummy had only one trump to take care of them. Something had to yield, and it turned out to be South. He yielded 100 points to the opponents.

The optical illusion caused South to stake his slam on the club finesse. If it failed, he would make the slam. If it failed, he would go down. He had only an even chance.

South's best plan is to take two finesses rather than one. He should draw a third round of trumps and try a finesse with the queen of diamonds. If it works (as it would in this case), he is home; otherwise, he falls back on the club finesse. South makes his contract if either finesse works and thus has odds of 3 to 1 in his favor instead of just even money.

DAILY QUESTION

Dealer bids one heart, your partner doubles, and the next player passes. You hold: S-8 7 4 3 H-10 D J 9 5 2 C-J 10 4 3 What do you say?

Answer: Bid one spade. This is not your favorite hand, but you have nothing to worry about. Your partner's double promises good support in any unbid suit.

"Eternal" Flame

WASHINGTON UPI — An "eternal" flame will burn at the head of John F. Kennedy's grave in Arlington National Cemetery.

The flame is comparable to the eternal light which burns under the Arc de Triomphe in Paris—a memorial to the French unknown soldier of World War I.

Also in Gettysburg, Pa., an eternal light burns in memory of Civil War soldiers.

No such flame has burned before in Arlington.

9 Known Dead

BUENOS AIRES UPI — A wind and rain storm of hurricane force which lashed Buenos Aires Sunday evening killed at least nine persons, it was reported today.

Wind velocities up to 100 miles an hour were reported.

Four of the victims were killed by live wires blown down by the tempest. Two, blinded by driving rain, were run down by trains they didn't see until too late.

Grave Guarded By Police, Dogs

FORT WORTH UPI — Police with vicious trained dogs stood guard today at the grave of Lee Harvey Oswald to protect it from ghouls.

The 24-year-old Communist sympathizer and accused assassin of President Kennedy generated such hatred that police are afraid someone may desecrate

the hastily dug grave, or try to dig up the pine coffin.

"There is always the possibility of ghouls," said Col. E. P. Seltzer, a retired Army regimental commander who owns Rose Hill Cemetery where Oswald was buried.

ATHLETE GOOD RISK
NEW YORK (UPI) — Underwriters consider most professional athletes excellent life insurance risks and most of them get life insurance at standard rates without the slightest difficulty, reports the Institute of Life Insurance here.

When Buick builds a LeSabre--Buick builds a high-priced car, and puts a low price on it.

Lots of cars are in LeSabre's price class, but that's where the resemblance ends. For instance: Does anybody else in LeSabre's class treat you to that gentle Buick ride or impressive Buick performance and new gas economy? No. And who else gives you 15-inch wheels, finned aluminum front brakes, extra cushioning for middle-seat travelers, and separate heat ducts and controls for the rear seat? Right again: Nobody in LeSabre's field but LeSabre. If all this makes you think a LeSabre would look awfully nice in your garage, you should see how nicely it fits a budget. You know who to see about it, of course: your Buick dealer. Who else? Above all, it's a Buick

The Low Pontifical Requiem Mass completed the last rites before interment at Arlington National Cemetery.

ASSASSIN'S LAST MOMENTS—Lee Harvey Oswald, accused assassin of President Kennedy is wheeled into Parkland Hospital emergency area after he had been shot at close range by a vengeance-minded Dallas night-club owner, Jack Ruby. Oswald died moments later in an emergency operating room just 10 feet from where his own victim, President Kennedy, expired.
